## LEMON JUICE

## WHITENS SKIN

Girls! Make beauty lotion at home for few cents

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, shake well, and you have a quarter pint of the best bleaching and skin whitening lotion and complexion beautifier at very very small cost.

Your grocer has the lemons and any drug store or toilet counter will supply three ounces of Orchard White for a few cents. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day and see how tan, redness, sallowness, sunburn and wind-burn disappear and how clear, soft and rosy-white the skin becomes. Yes! it is harmless.

## You Save By It!

It's true we charge a little more, but only because it's worth more to have your clothes cleaned and pressed here.

The extra cost IS LESS than the extra worth, for our method preserves the fabric.

In order to give everyone an opportunity to join in the peace celebrations Father Leary, speaker of the evening, dwell briefly upon "The Aims and Purpose of Life," as the text of his discourse, as well as the importance of avoiding the temptation of pride and ambition to acquire worldly honor or riches at the risk of the soul's salvation.

The children's mission, while being enjoyed by the Juniors, is resulting in much that is good for parents, as their little ones, by the obligation of making a worthy mission, to make a thoughtful, prayerful examination of conscience and in confession of their sins with the necessary means ready their spiritual affairs.

The solemn "Way of the Cross" at 3 p.m. is being held at the church. Tuesday evening at 8 o'clock Father O'Neill will discuss "Why Catholics Go to Confession," with those who are that is for all Catholics that they may realize more fully the great privilege, and to non-Catholics, a cordial invitation is extended to all.
